

Editorial Policy

Advancements of Microbiology editorial policy is based on Recommendations for the Conduct, Reporting, Editing, and Publication of Scholarly Work in Medical Journals (ICMJE) at www.icmje.org. The details are presented in the Ethical Policy Statement. Upon acceptance of the manuscript the authors are requested to submit a Statement of Conflict of Interest (available in supplementary information section).

Open Access Policy

This journal provides immediate open access to its content under the [Creative Commons CC BY-NC-ND 4.0](https://creativecommons.org/licenses/by-nc-nd/4.0/) license on the principle that making research freely available to the public supports a greater global exchange of knowledge. Under the [CC BY-NC-ND 4.0](https://creativecommons.org/licenses/by-nc-nd/4.0/) license users are free to share the work (copy and redistribute the material in any medium or format), if the contribution is properly attributed and used for non-commercial purposes. The material published in the journal may not be altered or build upon. According to our editorial policy, upon acceptance of the manuscript the authors are requested to submit signed Open Access Agreement (available in supplementary information section).

Financial Support

Publishing, purchase of DOI numbers for articles, translation of articles from Polish to English and implementation of a modern publication platform for the *Advancements of Microbiology* are funded by Polish Society of Microbiologists with the financial support of the Ministry of Science and Higher Education under agreement No. 659/P-DUN/2018 for science dissemination activities.
