

1. Reviewing procedure is in conformity with the directives of Polish Ministry of Science and Higher Education.
2. Representing author sending a paper for publication in the ACEE Journal should express his permission for reviewing process.
3. Each paper is reviewed by at least two external, reliable reviewers.
4. At least one reviewer has a different affiliation country than the author.
5. Papers are reviewed in the double blind review process (authors do not know the reviewers' identity, as well as the authors' identities are not known for reviewers).
6. Every care is taken so that there is no conflict of interest between the authors and the reviewers.
7. The review is made in a written form with a clear conclusion on acceptance or rejection of the paper.
8. The reviewing procedure and the reviewers' form are published on the Journal's website and in each printed edition.
9. Once a year, the complete list of reviewers for the entire volume is published.
